

## CONSENT TO ENABLE INTERNATIONAL LONG DISTANCE

**I would like to enable International Long Distance calling on:**

- All phone numbers on my account
- Specific phone numbers on my account. Please list numbers:

**I enabled International Long Distance calling and now wish to remove this feature from:**

- All phone numbers on my account
- Specific phone numbers on my account. Please list numbers:

I, the undersigned Customer, authorize Hunter Communications to enable International Long Distance Calling in accordance with the information provided above. I understand that though there is no additional cost associated with enabling this feature, international long distance calls will be billed at the rate set forth in Customer's Service Order/Service Agreement, and in accordance with the Master Service Agreement (MSA). In signing below I understand that the provider (Hunter Communications) will accept no responsibility for any charges billed to Customer resulting from fraudulent calls or toll made on and/or utilizing Customer's voice system, infrastructure, lines, trunks, etc.
