

Hunter Communications Employment Opportunities

Opportunities include entry level Utility Pole Surveyors and Communication Linemen Apprentices

Applicants must be hard working individuals who enjoy being outdoors and working in all types of weather. Must be 18 or older to apply. Current driver's license and clean driving record required. Must pass pre-employment drug screening.

Competitive Wages

Opportunities for pay increases as training milestones are completed.

On-the-Job Training

Our team provides on-the-job training to prepare you for a career as an Aerial Lineman, Installer, or Splicer.

Health Care Benefits

Fully paid premiums for medical, dental, vision, and more!

Vacation, Sick, and Holiday Pay

Earn two weeks of paid vacation and one week of sick time, plus you'll have nine paid holidays per year.

When you join us, you'll be a part of our incredible team who helps connect residents, businesses, educational systems, healthcare facilities, and local governments to our premier fiber-optic internet and telecommunications network throughout southern Oregon and Northern California

At Hunter, our employees are provided with the tools and resources they need to grow because we know that our continued success depends on their career development.
